

## **ECCHS Formal Dance Dress Guidelines**

(Effective January 14, 2013)

NOTE: These guidelines apply to Homecoming, the Winter Formal, and the Prom.

Ladies: a modest style long or short dress, no shorter than **six – eight inches** above the knee. The dress may have the corset style lacing up the back, but no other cutouts of any size or kind are acceptable. Two piece dresses or backless dresses are not acceptable.

Guys: dress pants, dress shirt and tie; a tuxedo or sport jacket is optional. Shirts must remain on and they may not be defaced in any way such as ripping off the sleeves. ECC shaving rules remain in effect.

ALL students attending the dance must have some type of shoe on at all times to prevent possible cuts from sharp objects on the floor. For these dances only, flip flops are acceptable for the ladies.

\*\*\* Please try on shared dresses before actually wearing them to the dance! A dress that was worn by a young lady may not fit the next young lady in the same way!
