## Accelerated Reader Quiz Reminder Sheets

Please send one of the completed sheets below with your child each time he/she is ready to take an AR quiz. Quiz numbers can be found inside the book cover or at [www.arbookfind.com](http://www.arbookfind.com). It is much easier for your child to enter a quiz number than a title. If you work from the bottom slip to the top, we will send a new sheet when your child brings sheet #5 to school. Thank you for helping to make our AR time run more smoothly. Our number one goal is to have each child enjoy the reading process and to discover the exciting world of books.
