Financial Aid Forms:

The ECCSS Finance Office has been receiving questions about the due date for financial aid forms, and whether it has been extended due to the current issues related to the Coronavirus.

Please be aware that the Diocese of Erie establishes the deadline for the financial aid forms, and the deadline remains the same: April 15, 2020.

The Diocese has retained the April 15 deadline for several logistical reasons. They are aware, however, that the situation might be complicated for some families, and have made some adjustments to help address any concerns.

If your 2019 tax returns will not be completed in time to be included with your financial aid forms, the Diocese will accept a copy of your 2018 tax returns. Simply include copies of your 2019 W-2s and any other documents as stated on the application forms.

If you have any questions or concerns, please call the Finance Office at 781-3144 or email at finance@eccss.org.

The forms are available online at www.eccss.org/tuition.

We urge all families interested in enrolling at an ECCSS school, and who think they might need financial assistance, to fill out the financial aid forms. If you think that your situation requires special attention, please contact the finance office at the number above as soon as possible.
