

Summer Reading and Math Camp

Theme: *Unlock the Mystery!*

We will be offering a Reading and Math Camp this summer for students currently in 1st-5th grade Tuesdays and Thursdays 9 a.m.-11 a.m. at the SMCES Cafeteria.

We would like to provide leveled groups to meet the needs of all students. Students will be *socially distanced* and involved in various rotations such as: teacher-led lessons, hands-on games, and the use of technology.

We will be working on increasing your child's math fact fluency and reading skills in a fun way by incorporating math and reading mystery activities.

We ask for a commitment to attend as many sessions as possible. The cost of this summer program will be \$50 per student or \$60 per family. Checks need to be made out to: ECCSS

(Any questions contact: Leanne Kilhoffer: lkilhoffer@iu9.org)

Please fill out the bottom portion of this page and return it to school ASAP.
