

Middle/High School Christmas Giveaway!

December 8 & December 9, 2021

The Annual Christmas Giveaway will once again be held for middle and high school students from Wednesday, December 8 and Thursday, December 9.

As you do your Christmas Shopping, please think about picking up an extra item to donate or making a basket of items to donate.

These are suggestions but we are sure you know what your children like and what others would enjoy!

Suggestions: gift cards to restaurants, stores, etc.
Anything sports themed: shirts, sweatshirts, hats, etc.
Candy, movie passes, App Store/iTunes gift cards, tech gadgets, etc.

This year, due to limited space, gift cards would make an especially good donation.

We ask that the items donated for the students are new. If you would like your items in a basket but would rather us put it together, we can do that!

Please consider donating! We appreciate your help!
Items can be dropped off at the school office.
