SMCES "Welcome to Kindergarten" Readiness Program

Providing a personal touch and individual attention, our own St. Marys Catholic Elementary School teachers will foster learning in a child-centered environment allowing growth in social, emotional, spiritual, and academic areas. Each day of camp will have its own unique focus to sharpen the skills necessary for kindergarten, such as letter and number recognition, letter sound association, reading, handwriting, basic math concepts, fine and gross motor skills, active play/making friends, etc. Themed days will also take place, and the week will conclude with a picnic in the park.

This program is open to all students, but please note that priority will be given to those students enrolled in kindergarten for the upcoming 2022-2023 school year at St. Marys Catholic Elementary.
