

Calling ALL Elves for the Christmas Store - Clearance Reminder

We will be needing helpers for the Christmas Store on **December 6th & 7th**. If you are interested in volunteering for the Christmas Store, please check now to be sure your clearances are up-to-date as the process can take several weeks.

More information will be coming in the upcoming weeks regarding the schedule and how to register to volunteer. If you have questions about clearances, please contact the Elementary school office at 834-4169 for more information.

Thank you all so much!
We cannot wait to see you!
