Need-to-Do List

- ♦ Print child's **name** and **grade level** on the small, orange prize sheet.
- ♦ Check with parents/guardians. (Make sure they know you are going to sell candy for this school project.) *The younger the age...the more supervision you should have...*
- ♦ Take candy brochure to sell to teachers, family members, family friends, and neighbors.
- ♦ Be polite and courteous to all customers, especially your parents!
- ♦ Have the customer fill in brochure. Have a pen or pencil with you!
- ♦ Turn in completed orders to your school along with the following:
money (in the provided envelope) and the Master Sheet (with student name on) no later than March 9. Please make sure you do not tear the Master Sheet apart. We need both the white and yellow copies! **Do not turn in the brochure. Save that to help you deliver the candy.**
- ♦ Please check your order right away. Deliver the candy to your customers before Easter. **If there is any problem with your delivered order, let us know by Friday, March 31, 2023.**
- ♦ Thank your customers and your parents!
- ♦ There is an option to order online. This option is not as beneficial to us, but still helps. Online orders must pay a small shipping fee. It will be shipped to the home address.

Prizes for ECCSS Gardner's Candy Sale

INDIVIDUAL PRIZE: Any student who sells \$40.00 worth of candy will receive a free piece of Gardner's candy. There is a free candy prize sheet stapled to your brochure. Just fill it out and hand it in. (Only one per student!) Make sure you put your name and homeroom on the orange prize sheet. *If you do not want this incentive prize, please check the box that states, "No, thanks!"*

GRADE-LEVEL PRIZE: The top five sellers in each grade will be invited to a party in the month of April. Students in grades k-5 will have an ice cream party. Students in grades 6-12 will have a pizza party and may bring a guest. Any student who sells \$500 or more will automatically be invited to the party.

Note - This is different from previous years. Prizes are by grade level and not homeroom. High sellers are chosen from all weeks of the sale, not individual weeks.

SCHOOLWIDE GOAL: If the students in both schools, bring in a combined total sale in excess of \$30,000, there will be a drawing for one \$100.00 gift card for each building! Fill in the orange form with your name and grade level with your \$40.00 order to be eligible for the drawing.

Family Options: While brochures went home with each student in the system, you may choose to send all candy sales in with one child. If you do this, you may turn in orange candy prize sheet for each child in your family in school (as long as the total order submitted is \$40 x number of children in school system). The child who turns in the order would be the one eligible for the grade level prize. However, if one child in a family turns in a \$500 (or greater) order, then each child in that family may attend the ice cream/pizza party.

Let's make this the best one yet!

Remember to do your best and always be polite!
